Tiffany:

Your FOIA is on Complex Track with a due date of March 31, 2014. Your request was on HOLD, therefore, since you responded today of what you wanted, the new due date for responding is June 30, 2014. This FOIA is voluminous and will take a lot of work for searching and reviewing the documents. Thank you.

Noreen,

In response to your e-mail conveying the West Vermont Street SEMs List of releasable documents on EPA's database, we would like to request the documents highlighted in yellow in the attached SEMs List. We would like to exclude from our FOIA request the documents which are not highlighted in yellow in the attached SEMs List.

In addition, by this e-mail I am approving a fee commitment of \$1,000 to begin processing our FOIA request. We would like all documents that can be obtained with the \$1,000 fee commitment, along with the corresponding privileged index. If there are additional documents which would require a further fee commitment, we are happy to discuss committing to additional fees once EPA reaches that point.

Please let me know if you have any questions.

Thank you,

Tiffany

Hi Tiffany:

I know you are waiting to hear from your client, but I haven't heard anything from you since March 31, 2014. We can't keep this FOIA on HOLD status for much longer. If I don't hear from you by Monday April 21, 2014, then we will close this FOIA out, Thanks.
